About Us

As YILDIRIM Electronic Adapter, we have been manufacturing AC/DC Power Supplies, Linear Transformers, and Electronic Circuits since 1978.

Why Choose Us?

With a highly skilled and experienced team, we channel more than 50 years of expertise into YILDIRIM-branded products, always prioritizing quality, international standards, and customer satisfaction. In the adapter industry, we proudly sustain our leadership as a domestic manufacturer.

How We Work?

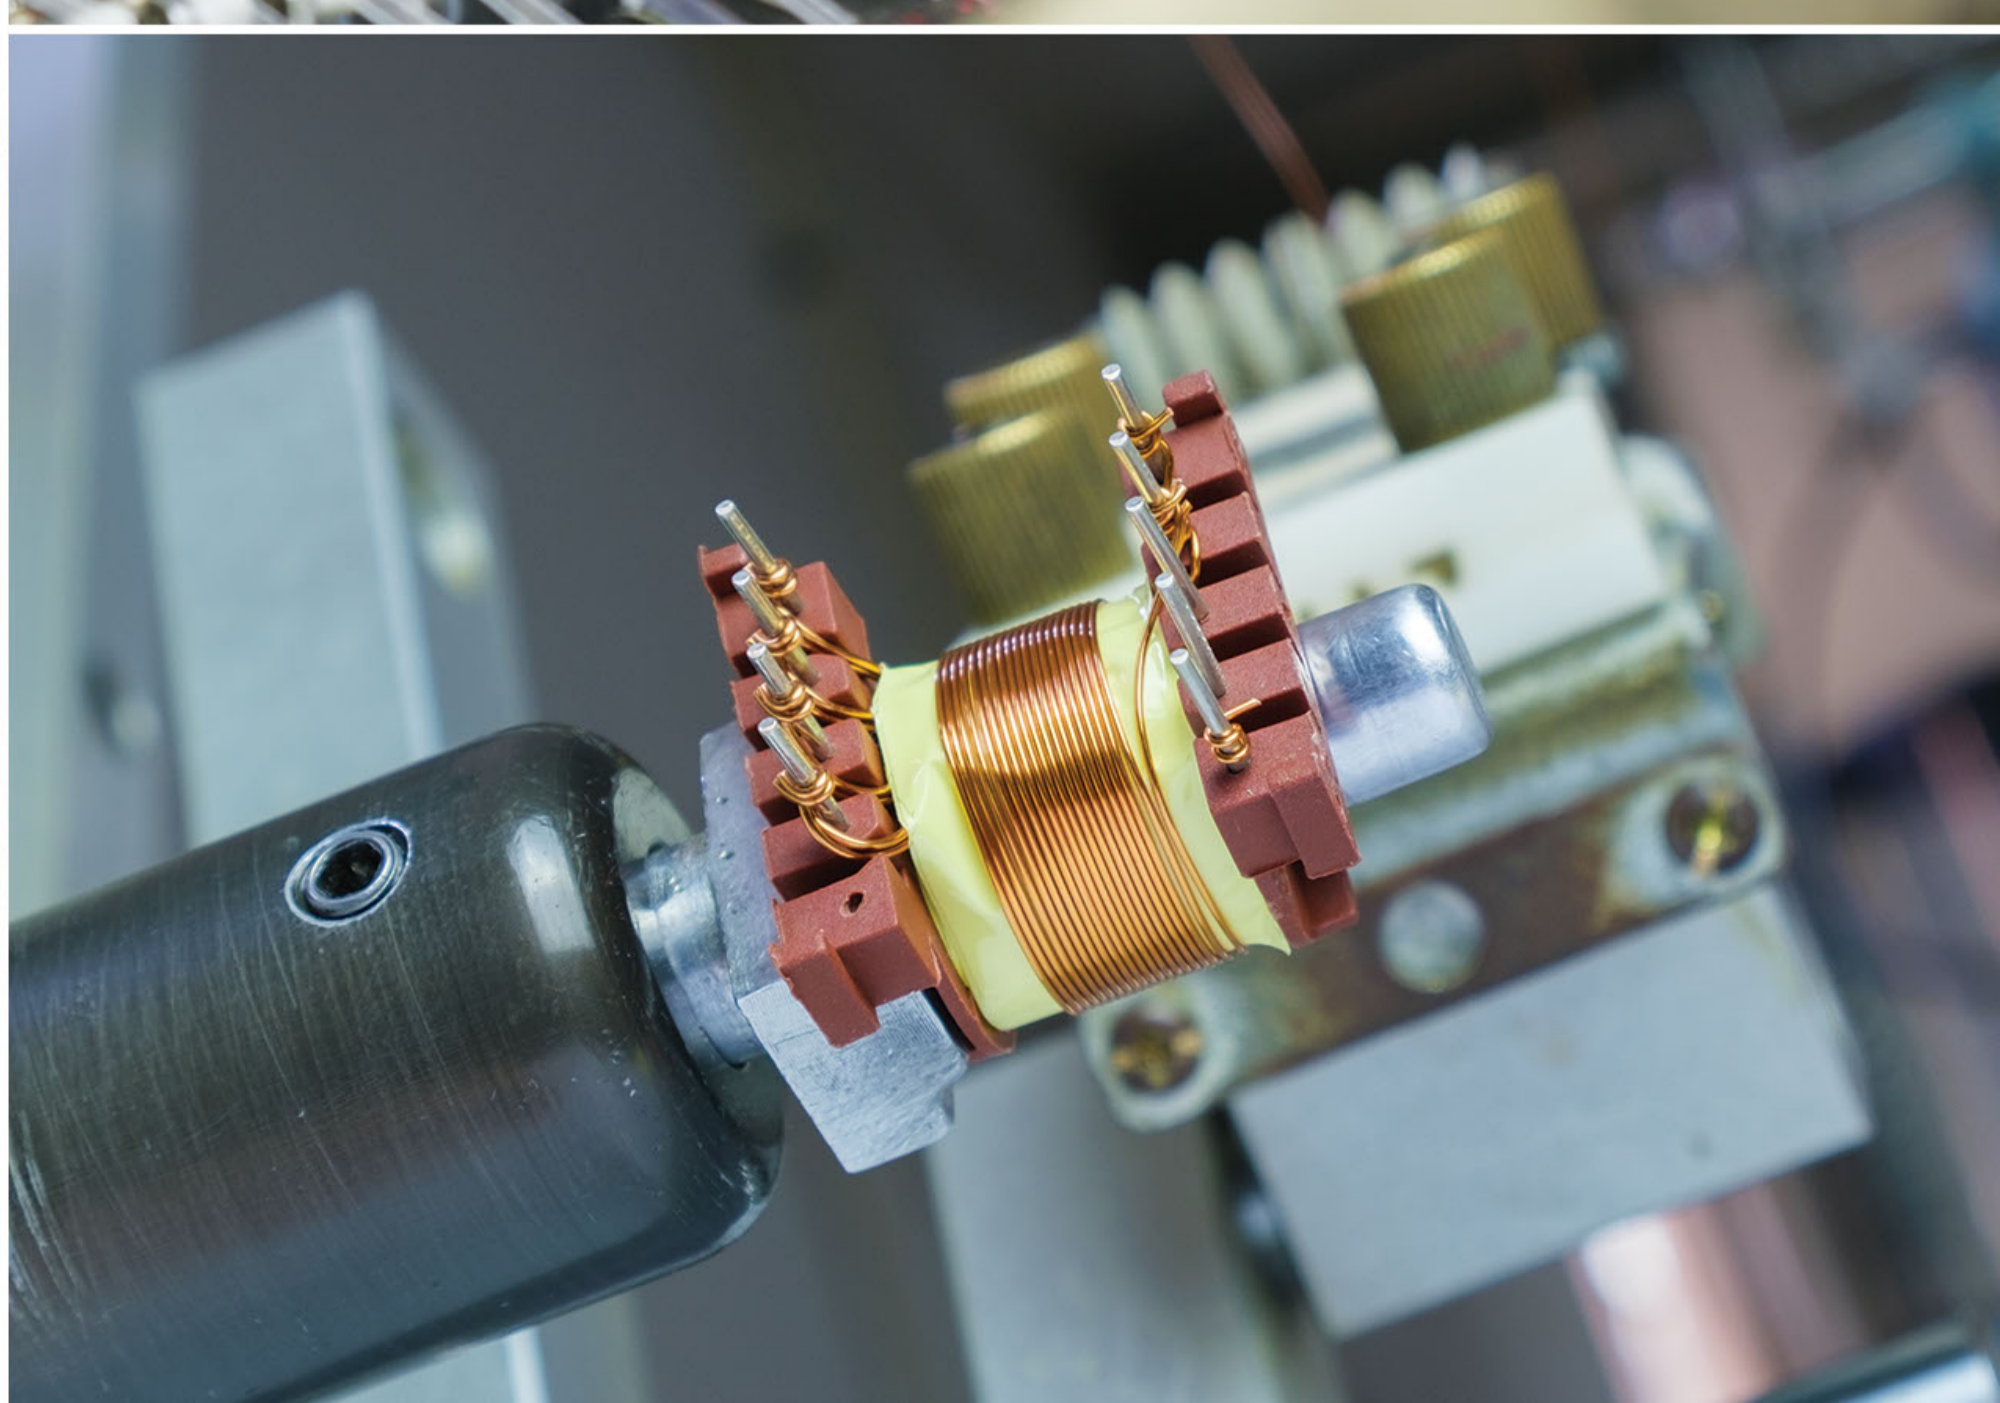

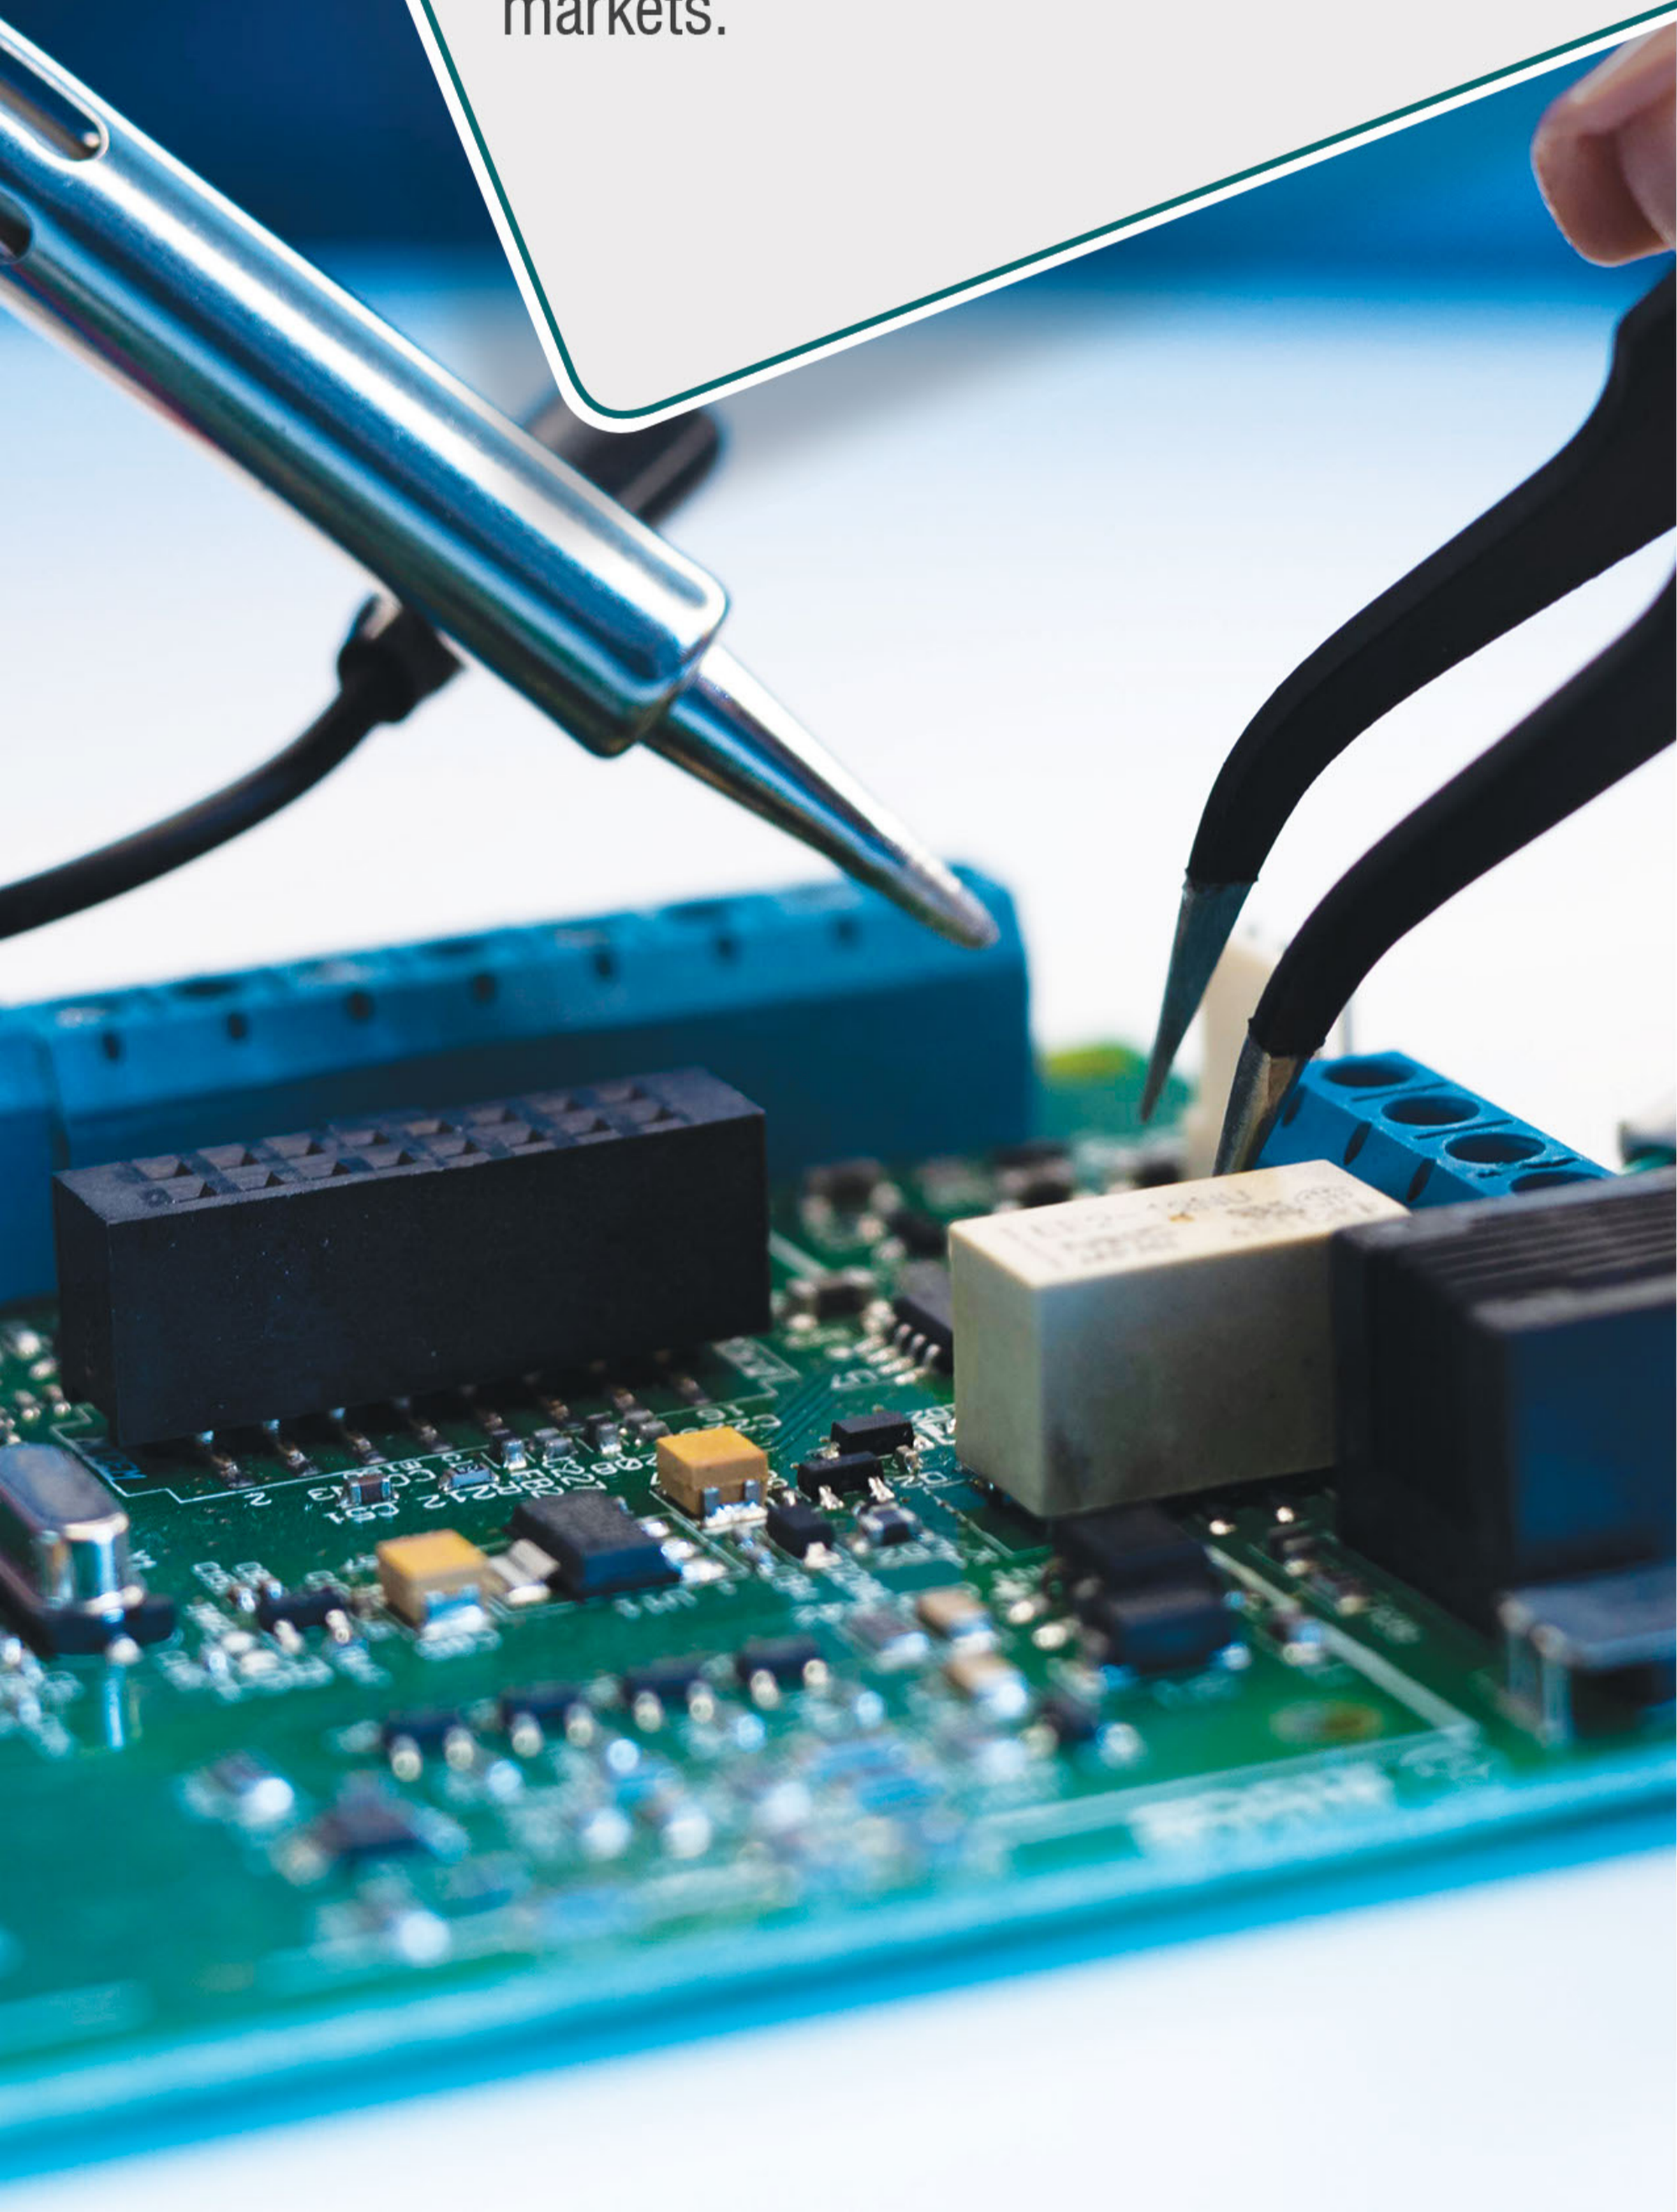

Through new technological investments, YILDIRIM Electronic Adapter now operates in a 1,000 m² closed production area, increasing its capacity with 100% domestic manufacturing and achieving an annual output of 300,000 devices.

R&D

Our in-house R&D department enables us to quickly address special demands, delivering tailored solutions and new designs when required.

Our Vision and Goals

As Turkey's leading domestic manufacturer in our sector, we embrace both the pride and responsibility of this position, striving to establish the YILDIRIM Electronic Adapter brand and quality in global markets.
